On the Fourth of July we celebrate our nation's independence, honor all our forefathers who fought for us and enjoy the freedoms we believe in. During all the joy and 4th of July festivities, there should be a time for reflection for those who have sacrificed for our freedom. This is something we should all really appreciate. I hope you all enjoy family and fellowship!

National Chick-Fil-A Day

Come join us for National Cow Apppreciation Day at Chick-Fil-A on July 10th in Cleveland, TN. We will design our costumes and dress up our herd. This is a great and fun outing that the residents thoroughly enjoy. They will receive a free sandwich as well.

We appreciate our dads. We had a special breakfast. We made hash brown casserole, sausage breakfast casserole, and pancakes. Everyone had an amazing time with good food and special fellowship.

Getting to Know Your Neighbor

Frankie Simpson

Devoted Wife
Mother and Grandmother

We would like to take a minute and spotlight one of our residents Frankie Simpson. Frankie has lived here with us in Athens for several years.

Frankie was born and raised in Meigs County, TN. She was born at the Decatur Jail because her father was the Sheriff at the time. He was also the local Blacksmith. So we all laugh when she tells us she was born in jail. She has been a member of the First Baptist Church of Decatur all of her life. She met the love of her life Albert Simpson and married in August 1945. Albert was in the Marine Corp. They had two wonderful daughters. Cindy lives in Chattanooga and Patty lives in Decatur. Frankie has 4 grandchildren and 9 great-granchildren.

Frankie and Albert moved around some while he was active in the Marine Corp. Frankie and her husband have always been true University of Tennessee Volunteer Football fans. They have been season ticket holders since 1970. They never left a ball game early no matter the score or the weather. The tickets are still in the family. Frankie still gets excited to be able to watch it on TV. She is very active in our community.

Joyful Personality
Appreciates Everything

Frankie is one of the happiest people we have ever had the privilege of knowing. We are so blessed and honored to have her in our community.
