Morning Pointe is blessed to be connected with the Atterbuy Job Corps. A program whose mission is to "help young people ages 16-25 improve the quality of their lives through vocational and academic training."

Nick, Ruby, Clem, Jessica, Elroy and Annette

Annette and the staff of Atterbury try to instill in the youth the importance of giving back to their community, and in doing so lives are touched beyond words. "The youth have brought into our building energy and fun. Saturdays are filled with chair

volleyball, cards, games and opportunities for one-on-one visits with residents," says Mary Beth Piland, life enrichment director for Morning Pointe. "We want to applaud the staff for their caring hearts and dedication." A training facility located in Edinburg, IN, houses 550 students. It is a program touching the lives of our youth on a daily basis.

Staff member Annette Sivels, student leadership advisor stated, "We strive to build bridges between the community and the school."

# Resident Spotlight

**Mary Ann Imhausen Mills** was born Aug. 13, 1924, in Indpls. to Henry and Verna (Stevens). She had 4 brothers, Chad, Joe, Bill and Bud. Her father worked for Baltimore & Ohio Railroad and her mother was a full-time homemaker. The family farmed property at 6 Points & Bridgeport Rd.

She attended Ben Davis HS, where she played saxophone in the band

and met the love of her life, Cecil. They were high school sweethearts. After graduating in 1944, she worked as a secretary at Under Writer's Adjustment Inc. located in downtown Indianapolis.

They married in July 1945 and were blessed with a beautiful daughter, Verna Lucia. They attended Bridgeport United Methodist. Henry was a Mason and Mary Ann a member of Eastern Star. She loved gardening, collecting stamps and coins.

Mary Ann loves being involved in activities.

We are so glad she has chosen to call MP home since January 2010.
