In anticipation of an early spring, residents enjoyed creating paper floral bouquets. A spritz of fragrance gave the illusion of fresh flowers.

The Legend of the Shamrock

Long ago in Ireland, there was a great Bishop, Patrick by name, who came to teach the word of God throughout the country. This St. Patrick—for he was indeed a saint—was well-loved everywhere he went. One day, however, a group of his followers came to him and admitted that it was difficult for them to believe in the doctrine of the Holy Trinity. St. Patrick reflected a moment and then, stooping down, he plucked a leaf from the shamrock and held it before them, bidding them to behold the living example of the “Three-in-One.” St. Patrick used the shamrock to explain the concept of the Father, the Son and the Holy Spirit. The simple beauty of this explanation convinced these skeptics, and from that day, the shamrock has been revered throughout Ireland. A four-leaf clover has always been considered a symbol of good luck in Irish culture. According to legend, the leaves of a four-leaf clover represent hope, faith and love, and God added another leaf for luck.

Irish Blessing

May the road rise up to meet you,
May the wind always be at your
back.

May the sun shine warm upon your
face.

May rains fall soft upon your fields,
And until we meet again,

May God hold you in the palm of his
hand.
